Art in Printing

A touch of art improves a piece of printing. It adds a little to the expense but more than repays for any difference in price. A long business career devoted to the study of good printing and artistic productions has qualified us to turn out work in a way that will make it profitable to you. Send us the order for your next catalogue or pamphlet.

Cameo Embossing

If you are issuing a catalogue, we can supply a cover tastefully done in our new Embossing process, which will considerably enhance the appearance of your book.

For showcards or a folding circular, Embossing makes your advertisement highly attractive.

We are centrally located, and trust we may have the pleasure of a call from you.

Booklets

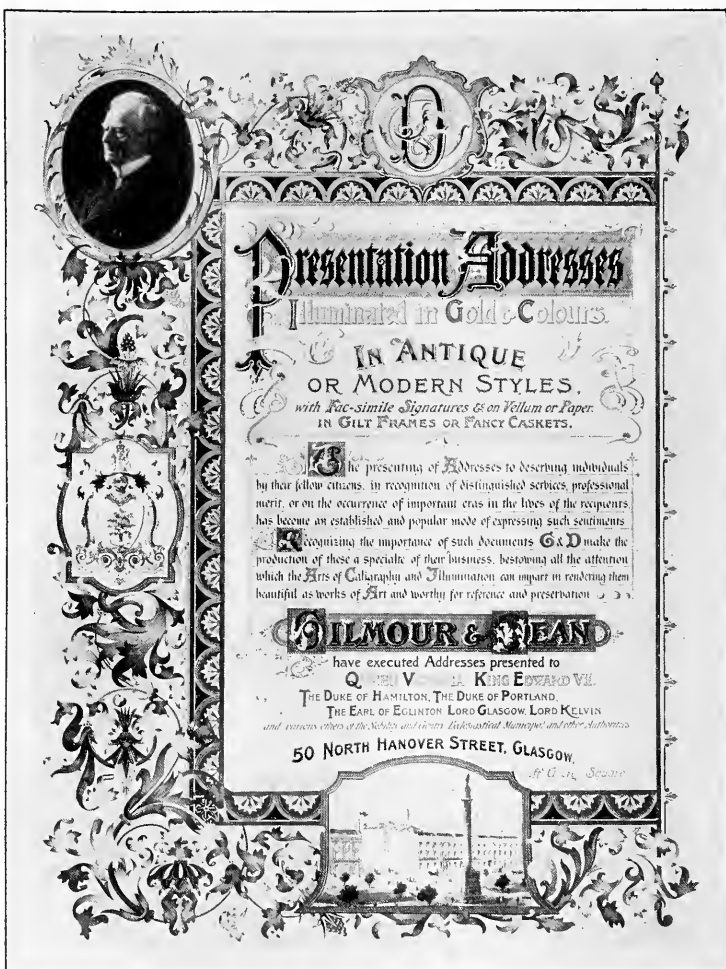

Are considered most profitable advertisements, and in order to produce the best results they must be neat and artistic. An ordinary booklet makes a bad impression, like a slovenly representative. If it combines artistic taste with good language your booklet will be a success.

WE make Artistic Booklets.
